

COGEN Europe and  
Berlin Energy Agency  
at the EUSEW2010

*Promoting innovative  
cogeneration in cities -  
Examples from Berlin  
and other pilot cities*

#### Date, place and time

<i>Date:</i>	Thursday 25 March 2010
<i>Place:</i>	Centre A. Borschette: Room 1A, rue Froissart 36, 1040 Brussels, Belgium
<i>Time:</i>	9.15 – 12.45 o'clock

COGEN Europe, the European association for the promotion of cogeneration, and the Berlin Energy Agency (BEA) organise a seminar on ***Promoting innovative cogeneration in cities – Examples from Berlin and other pilot cities.***

The seminar will focus on best practice examples of cogeneration in urban areas and ways to promote these successful approaches among other cities in Europe. One outstanding example is the city of Berlin. Its campaign “KWK Modellstadt Berlin” (CHP Pilot City Berlin) shows on several levels how to promote cogeneration in an urban environment and how to combine cogeneration with other innovative technologies and with renewable energy sources. Beyond Berlin, the experience of several other pilot cities and regions will be presented during the seminar.

The two organisers will ensure that the seminar

- disseminates best practice experience
- identifies critical factors for success for interested cities
- comes up with recommendations.

The half-day seminar is an official event of the 2010 EU Sustainable Energy Week. The EUSEW2010 is the reference European event for energy efficiency and renewable energy. The focus of this year's EUSEW is on Europe's cities and their efforts in the fight against climate change.

The COGEN Europe/BEA seminar will take place on **Thursday 25 March 2010** starting at 9.15 o'clock at the Centre A. Borschette (Room 1A), rue Froissart 36, 1040 Brussels, Belgium.

To attend the seminar, you need to first [register yourself as an attendee for the EUSEW 2010](#). Once your account is created, you will then be able to [select the COGEN Europe/BEA seminar](#). Online registration closes on 16 March.

**Date, place and time**

<i>Date:</i>	Thursday 25 March 2010
<i>Place:</i>	Centre A. Borschette: Room 1A, rue Froissart 36, 1040 Brussels, Belgium
<i>Time:</i>	9.15 – 12.45 o'clock

**Agenda**

8.30	Registration and welcome coffee	
<b>Role of cogeneration in cities</b>		
9:15	Welcome by COGEN Europe and Berliner Energieagentur	<i>Fiona Riddoch, COGEN Europe Achim Neuhaeuser, Berlin Energy Agency</i>
9.30	Presentation of opportunity for cogeneration in urban areas and cities	<i>Fiona Riddoch, COGEN Europe</i>
<b>Cogeneration best practices – How Berlin and other cities and regions became cogeneration pioneers</b>		
9.45	KWK Modellstadt Berlin	<i>Achim Neuhaeuser, Berlin Energy Agency</i>
10.00	Cogeneration in the Paris region	<i>Marie-Laure Falque-Masset, Arene Ile-de-France</i>
10.15	Cogeneration as part of the Frankfurt Climate Protection Strategy	<i>Werner Neumann, City of Frankfurt am Main - Energiereferat</i>
10.30	Green cogeneration in Riga	<i>Claudio Rochas, Ekodoma</i>
10.45	Coffee break	
<b>Panel debate: how to transfer best practice experience?</b>		
11.15	Panel debate by stakeholders	<i>Juan Moreno Acedo, European Commission Peter Schilken, Energie-Cités Cedric de Meeûs, Dalkia Maryke van Staden, ICLEI</i>
12.30	Conclusions	<i>Fiona Riddoch, COGEN Europe</i>
12.45	Lunch	

To attend the seminar, you need to first [register yourself as an attendee for the EUSEW 2010](#). Once your account is created, you will then be able to [select the COGEN Europe/BEA seminar](#). Online registration closes on 16 March.
